

### Jazz Concert Featured at Homecoming Day

Jazz will come into focus Saturday afternoon, when El Camino College presents half-time entertainment in conjunction with its twelfth annual Homecoming Day.

Appropriately enough, three of the key figures in planning the special presentation of "The History of Jazz" have been related with the college since its early days.

Alumnus Anthony Vazzana, now completing work for his doctorate at USC, "came home" to arrange music for performances at Homecoming and other games this season.

Along with Hamilton M. Madford and Mrs. Betty Hershey, original members of the college instructional staff, and Calvin Greer, band instructor, Vazzana has come up with entertainment

### Handicapped Jobs Offered by City

Civil Service examinations for the newly created post of communication dispatcher, designed for handicapped persons, has been announced by the city.

The post, to be offered by the

fire department, will have a salary range of \$339 to \$368 a month. The duties will include dispatching of emergency vehicles to relieve an able-bodied fireman who now performs these tasks.

Deadline for applying is Nov. 12 at City Hall.

The city is also calling an examination of laborers with a salary range of \$353 to \$385 per month. Deadline for filing is Nov. 18.

In Vazzana's "new look," the band is seated comfortably at the side of the field, reserving its on-field appearance to the pre-game playing of the national anthem. Mrs. Hershey's 36-girl dance-drill team, the El Camettes, are joined on the field by such student groups as a male quartette, song queens, majorities and yell leaders.

Past shows have featured such themes as College Daze, depicting the roaring 20's, and a tribute to Rogers and Hammerstein. Each show is played once on the road and once on home grounds.

### Harbor Hospital Needs Volunteers

The next association meeting will be held Nov. 20 in the school cafeteria.

### PTA Pot Luck Plans
